

## *The Educational Environment of Seirei Christopher University*

More than 20 educational, medical, and welfare facilities of Seirei group are assembled in Mikatahara, the birthplace of SEIREI.

Seirei Christopher University is located among more than 20 facilities of Seirei group. This area was acquired by the “Two-Tatami-Mat Land Donation Campaign” supported by a nationwide Christian network in an effort to care for patients with tuberculosis, which was believed to be an incurable disease. The Seirei group has always practiced the Christian philosophy of "Love Thy Neighbor."

Being a part of SEIREI Group, students gain a tremendous level of valuable life experience. As the symbol of Seirei group, Enshu Eiko Church peacefully stands on the campus of Seirei Christopher University. The Seirei Group facilities in Mikatahara include:
