Description of Business	An academic institution offering comprehensive educational programs encompassing kindergarten to post graduate level.		
Founded	1966	Representative	Morihiro Koyanagi, Chairman
Academic structure	Seirei Christopher Junior and Senior High School – Global School Course (SCJSHS-GSC) is an IB authorized school that offers the Diploma Programme. The GSC is a progressive course established in 2022 initially to cater to the graduates of Seirei Christopher Elementary school, an IB World School offering the Primary Year Programme. The school attracts students from nearby cities and prefectures through its commitment to nurture the academic and personal growth of students through a holistic and caring education. GSC is an internationally minded school that uses English as a medium of instruction to teach science, mathematics, social studies, PE, music and art.		
Mission Statement	<p>Seirei Christopher Junior and Senior High School (SCJSHS) aims to instill in students a principled and loving international perspective so that they can actively participate in promoting world peace and human welfare founded on the Christian tenet of “love thy neighbor.”</p> <p>Based on the belief that reverence and love for God and humanity are important values throughout the ages, SCJSHS will empower learners with knowledge, skills, and interest to achieve their full potential through a holistic approach to instruction and assessment.</p> <p>Students will grow in love and character for the service of others in their chosen future career paths.</p>
